**STAT 6250 SAS Programming**  
**Spring 2013**

**Lecture**  
TR 8:00 pm—9:50 pm at SC S146

**Instructor**  
Prof. Shenghua(Kelly) Fan  
Office: SC N318  
Tel: (510)885-3428  
E-mail: kelly.fan@csueastbay.edu

**Office hours**  
TR 7:30 pm—8:00 pm

**Class website**  
http://www.sci.csueastbay.edu/~sfan

---

**PREREQUISITE**

- Completion of a graduate level course in statistics, knowledge of the Windows operating system, and experience with MS Office software (Word and Excel).
- Time outside of class to complete the computer assignments.

*Warning:* If you lack of the required background, it is very likely you will fail this course.

**TEXTBOOKS**

**COURSE GOALS/TOPICS TO BE COVERED**

**HOMEWORK**

A problem set will be given every Tuesday and will be collected on the following Tuesday through Blackboard unless announced otherwise. The solution for each assignment must be prepared in Word or similar software. Hand-written solution will not be accepted.

**EXAMS**

Two midterm exams will be held in lab on April 23 and May 14. The final exam is currently scheduled for June 13. In addition, a final group project will be given in the end of the quarter. **Warning:** Any student caught cheating during any exams will immediately get zero score for that exam and could be sent to Academic Affairs Office.

**Important:** You are expected to complete all assignments and take all exams according to announced schedules. There are no makeup exams and no late submission of assignments. A zero score will be given to the missed exams or late submitted assignments. If you must miss
an exam due to documented illness or emergency and provide the necessary document in 3
days from the exam date, I might agree to make some arrangement.

GRADING

• 15% for the homework
• 20% for each exam (20% x 2 = 40%); 25% for final
• 20% for the final group project

I do not grade on the curve. The approximate total scores separating letter course
grades are shown below:

A 90    B 75    C 60    D 50    F.

The Statistics Department follows very carefully the rules as stated in the Catalog for
giving W (weeks 4-7) and IN (8th week on) grades. In particular, you will not receive
a W or IN grade if the only reason is poor academic performance.

CLASSROOM COURTESY

• Cell phones and pagers must always be turned off during class.
• No eating, drinking, reading newspapers, or surfing internet is permitted in
classrooms and computer labs.
• Please arrive on time and remain for the full class.
• Conversations with other students are not allowed and please raise your hand when
you have a question.

ATTENDANCE AND KEEPING UP TO DATE

• Do attend class every day. If you must miss a class, you are responsible to get a copy
of the notes or handouts.
• Please bring your text book with its CD, laptop or USB drive, and any documents
related to the class.

It is very important to your success in this course that you attend class regularly and
keep up to date with reading and homework assignments.

Emergency Information

California State University, East Bay is committed to being a safe and caring community. Your appropriate
response in the event of an emergency can help save lives. Information on what to do in an emergency situation
(earthquake, electrical outage, fire, extreme heat, severe storm, hazardous materials, terrorist attack) may be
found at:

http://www.aba.csueastbay.edu/EHS/emergency_mgmt.htm

Please be familiar with these procedures. Information on this page is updated as required. Please review the
information on a regular basis.
